

# Delaware Pedestrian Master Plan

## Why is DelDOT preparing a Pedestrian Master Plan?

- To develop a vision for the future for walking in Delaware
- To develop goals and objectives by which to achieve that vision
- To guide the provision of Pedestrian Facilities along State roadways
  - Establish guidelines
  - Recommend priority areas
  - Help the state achieve Liveable Delaware goals

The graphic features a circular logo on the left with the text "Delaware It's good being first." and the words "Livable Delaware" in a large, green, cursive font in the center. To the right is a map of Delaware with green and yellow dots indicating specific locations.

- Goal 9 – Promote mobility for people and goods through a balanced system of transportation options.
- Goal 10 – Improve access to educational opportunities, health care and human services for all Delawareans.
